Band Together and Play!

Ever Wish It Were Easier to Find New Practice Partners at Your Level?

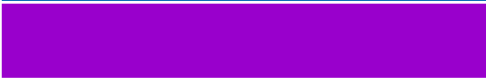

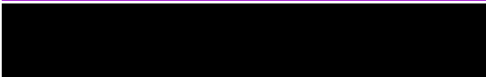

Triangle Table Tennis has a solution!

- **Wear a Triangle Table Tennis wristband that is color-coded for your skill level range.**
 - Take it off if you're involved in an event, or ready for a break, or only here to train with a specific friend.
 - **Put it on when you're ready to be invited to play by other players in your skill level range.**
 - Look around for players wearing the same color of logo wristband, and ask them to play with you!
 - Or, look for players wearing a multi-color "rainbow" logo wristband in addition to their solid-color logo wristband
 - They're skilled members who have agreed to be ambassadors for the sport and our Center.
 - They will spend 15 minutes hitting with anyone who's looking for an opportunity to play and improve.
- **To get a wristband:**
 - Become a member of Triangle Table Tennis to receive a complimentary wristband, with logo.
 - Members automatically receive a logo wristband in the color that matches the range of their skill level.
 - Members are eligible for another complimentary logo wristband whenever their USATT rating moves into the range of a different wristband color.
 - Members may be invited to become ambassadors, and those who agree will receive a rainbow-color logo wristband in addition to their regular skill level color-coded band.
 - Purchase a logo wristband from our pro shop.
 - Visitors may purchase a logo wristband in the color that matches the range of their skill level, as shown on the USATT website, or as identified by our staff's assessment.
