League Rules & Procedures

- 18 player league
- Play is round robin format, best 3 out of 5 games per match.
- All players will begin the season with 1900 league rating points
 - Rating points will be exchanged for every match, with the winner gaining points and the loser losing an equal amount of points as dictated by the USATT rating calculation chart. (there will be no adjustments in this league)
 - League rating will not affect USATT rating
- Players will be divided into 3 groups of 6 (A, B, C)
 - The first week, players will be snake seeded based on USATT Tournament Rating
 - Every subsequent week, club league rating will determine the groups, with the top 6 in A, the next 6 in B, and the last 6 in C
 - Each player must play every other player in his group
 - Any player who leaves before playing someone in his group will lose by default to that person (rating points will be exchanged as usual)
- Substitutes will be allowed in this league
 - Players that are going to miss a league night are responsible for finding their own substitute
 - The substitute must have a lower USATT tournament rating in order to be eligible
 - To facilitate players finding subs, a list of players interested in subbing and their USATT ratings and contact information will be kept on the league board near the weekly results
 - All sub matches count toward the match percentage and rating of the player being subbed
 - A player must submit the name of their substitute to the league director at least 24 hours prior to league start time
- Prizes are awarded in 2 categories: Match Percentage and Rating (players can win in both categories)
