\$90 – basic membership, full 12-week season

\$80 – premium membership, full 12-week season

\$15 daily league fee – based on availability (league capped at 24 participants)

## League Rules & Procedures

- 27 player cap
- Play is round robin format, best 3 out of 5 games per match
- Players will be ranked by a rating points system using the same formula as the USATT rating system. However, club league rating will not affect USATT rating
- Every player will start with his or her USATT tournament rating. If a player does not have a USATT tournament rating, his or her last club league rating will be used. If a player has neither a club league rating nor a USATT tournament rating, our staff will schedule a quick assessment to determine the player's initial league rating.
- Every week, players will be divided into groups (e.g. Group A, Group B, Group C) based on League rating
  - Occasionally, sorting groups by league rating may not sufficiently shuffle enough players up and down. When this happens, 1-3 players who earn the most match points in every group other than 'A' may earn a promotion to the next group for the next week. This means they would advance a group even though their rating did not increase enough to reach the next group.
- Top 4 players in A group must play each other each week to avoid penalty
- 4-match minimum each night – each match less than 4 incurs an 8 rating point penalty and one match loss
- 7-match maximum each night
- Cross-over matches are allowed only AFTER you have played everyone in your group and only if you have played less than 7 matches
  - Cross-over matches will count for rating points and match percentage
  - All Cross-over matches must be pre-approved by the League Director
- Absences will not affect your rating, but may make it difficult for you to reach the minimum required matches to be eligible for prizes (see below)
- A minimum of 55 matches must be played to be eligible to claim prizes
- Prizes will be awarded to the top 3 league ratings AND the top 3 league match percentages
  - Prize categories and amounts are subject to change based on enrollments
- The League overall winner (based on highest Match Percentage) **may** get an invitation to the next higher league. This decision will be based on the quality of league play and a coach assessment.
